Welcome to Kingsnorth Little Stars Ltd, we hope the following information will prove useful for both you and your child.

We are based in Kingsnorth Village Hall, opposite 'Kingsnorth Primary School' in a rural location with good links to local primary schools. We take children from 2 years old.

Choosing the best care

We appreciate that choosing the right setting for your child is a difficult decision; here at Kingsnorth Little Stars Ltd we aim to create a secure, friendly and enjoyable environment that is stimulating for all the children and so gives parent's confidence. All keypersons are First Aid trained and receive ongoing training to improve their personal development to enable them to provide the best care for your child.

We follow 'In The Moment Planning' which means we follow the children's interests. Adults observe what the children are doing, assess what they need to do/know/learn next and plan their teaching which is delivered there and then. (In The Moment)

Below you will find a useful link which will help you to understand the 7 areas of learning. When a child initially joins our pre-school we monitor how they are developing in the Prime areas of learning. Communication and Language, Personal Social and Emotional Development and their Physical Development. These areas are fundamental to your child's development and future learning. The environment is set up to provide all 7 areas of learning enabling your child to grow and learn. To learn more about what we provide please visit the link below.
